Product highlights

Enjoy MP3 and WMA playback

Make voice recordings
Sing, dictate, record notes directly to WAV via the built-in microphone

LCD display with colour choices

FM radio headphones
Enjoy the convenience of listening to your favourite FM radio stations anytime, without having to carry your portable audio player with FM tuner. This combination of tuner functionality into the headphones allows you to enjoy FM music. Or you can switch off the radio, and simply plug them into your portable audio player to enjoy your own music. Savour up to 15 hours of non-stop FM music, thanks to its replaceable button battery.

* 1MB = 1 million bytes; available storage capacity will be less.
* Actual transfer speed may vary based on your operating system and software configuration.
* Storage capacity based on 4 minutes per song and 64 kbps WMA encoding.
* Supports download and subscription services compatible with WMA DRM10
